RULES AND REGULATIONS:

In order to meet the needs of your child and to ensure his/her holistic progress, you are requested to disclose any information (psychological, emotional, educational and medical) relevant to your child's wellbeing. Copies of reports of intervention or therapy should be given to the Centre.

Please attach a copy of your child's unabridged birth certificate or ID, latest school report together with copies of reports of relevant therapy or intervention.

Elohim reserves the right to conduct a credit enquiry on the parents / guardians responsible for the payment of accounts at application or at any time while the pupil is enrolled at Elohim. Elohim reserves the right to contact previous school/schools for information about the pupil.

Our fees for 2020 are R3500 per month and a once off registration fee of R2800. Elohim reserves the right to refuse attendance of a learner, at Elohim, should the parent/guardian not make necessary monthly payments that are due.

Payments are made in advance, thus before the 7th of each month, otherwise penalty fees will be added to the R3500. If a parent/guardian does not pay the monthly fee before or on the 7th, Elohim reserves the right to cancel and/or terminate the agreement with the parent, thus the parent and/or learner will no longer be permitted to make use of Elohim's services. All unpaid/outstanding accounts will be handed to our legal representatives. The parent/guardian will be liable for all cost accumulated with our lawyers.

Should learners decide to change a subject, the parent/guardian will be held responsible for the purchase of all new books, including facilitator guides, for both the Centre and the learner, all study material for the chosen subject and the courier fees for Elohim and Impaq.

The parent/guardian agree that if anything should happen to them or their child or any of his/her property/possessions while attending the Centre or any Centre outing and/or outing/event, Elohim (or any person employed by Elohim or owners of Elohim), will not be held liable for any such loss/damage or take any responsibility for it, no matter what the case may be.

I hereby give permission to all Elohim Tutors/Staff to transport my child, whether it is in or out of Centre hours/Centre related driving or not. ELOHIM and/or Vidette le Roux will not be held responsible should anything happen to my child while in their care, whether driving or not and/or their fault or not.

If you decide to no longer make use of Elohim Centre's services, please give us a written calendar months' notice. When notice is given in October/November and the learner is still registered at our Centre in the fourth term, the account holder will still be required to pay for December, as our fees are calculated over 12 months. In cases where the student must leave Elohim immediately, you will still be required to pay the calendar month following, as if he/she was attending. In cases where Elohim asks the student to leave the Centre due to behavioural problems etc., the calendar months' notice and payment thereof will still apply.

If a parent/learner does not comply with the rules and regulations of Elohim or disrespects/violates/intimidates/breaks the rules and/or contract and is a threat to other learners or facilitators/tutors, the parent and/or learner will no longer be allowed to make use of Elohim's services.

ELOHIM reserves the right to terminate services and/or agreements, between ELOHIM and the parent and/or learner, at any given time.

Our Paarl Centre has a swimming pool and learners will have a swimming period during summer months. Please sign below to give permission or make a note if your child is not allowed or able to swim.

I hereby give permission to Elohim's Management team to do a drug test whenever the need may be. I acknowledge that I will be informed prior to testing and that Elohim will take action according to the Code of Conduct, should the learner be tested positive for any form of drugs.

ELOHIM TUTOR CENTRE

Dear Parent / Guardian,

At Elohim Tutor Centre we tutor and facilitate learners with their IMPAQ home school journey.

When a parent or guardian decides to register a learner for home schooling, it is important to understand that it becomes the ir role to primarily support learners with the necessary tuition, in line with the Department of Education's requirement that learners complete their schooling at home.

A parent and/or guardian is allowed, according to law, to make use of a tutor, to ensure that the learner gets all the help needed to make the most of his tuition, just as a mainstream learner will do. We, as tutors at Elohim, will do our best to ensure that all is done from our side, and from that of IMPAQ, to streamline the home-schooling process in order to make things as clear and understandable as possible to both parents and learners alike.

Our centre only exists to provide added support towards the home-schooling effort, but cannot be held responsible as the primary learning providers for learners. It remains the responsibility of parents and guardians to ensure that learners are adequately supported at home, that work and tasks are completed on time, that learners are studying and that good grades are maintained throughout.

Our tutors are subject matter experts, but not necessarily qualified teachers. Should there be a case where a learner struggles with specific subjects and need extra help beyond that provided by Elohim's tutors and IMPAQ, it will remain the duty of the parent and/or guardian to arrange for extra classes and tutoring. Parents and students should also keep this in mind when choosing subjects with IMPAQ in Grade 10-12.

Thank you for your cooperation, it is greatly appreciated.

Kind regards,

ELOHIM
